

LAKE *Texoma* JET CENTER

Meet our Staff

Laurel Holtmeyer - *Customer Service Representative*

Laurel is a Minnesota native with a Bachelor of Science degree from the University of Wisconsin. Although her passion is horses she is no stranger to aviation as her father is an amateur pilot and her brother flies A-10's for the Air Force. She enjoys getting to know the customers of Lake Texoma Jet Center and assisting them in any way possible. "It's great getting the immediate satisfaction of knowing you made someone's day a little easier for them," she states.

Laurel enjoys spending time with her husband, showing horses, and running when not in the office. Her future plans include pursuing a Master's degree in Business or Marketing.

Andy Gubera - *General Manager*

After graduating with an Airframe and Powerplant License from Memphis Area Vo-Tech School Andy began his career as an A&P mechanic with aviation defense leader-Raytheon Aerospace. Andy's skill and ambition quickly earned him a promotion to Branch Manager in the year 2000. Continuing to climb the aviation ladder; Andy accepted the position as Director of Maintenance for The ServiCenter in Oklahoma City in 2001 before graduating to Vice President of Sales and Marketing in 2002. In early 2009 Andy joined the Lake Texoma Jet Center team as General Manager, bringing a colossal amount of talent and expertise to our management staff.

When you see Andy be sure to ask him about his extensive overseas travel as a contract mechanic. He has been to countries such as India, Thailand & Nepal to name just a few!

Jeff Labrue - *Director of Maintenance*

Jeff is a Kansas native, spending his early career as a Jet Engine Technician and Airframe & Powerplant Mechanic. He served several years with Bombardier Aerospace as a Quality Insurance Inspector and as the General Supervisor of the Lear Jet 45 program. Jeff moved to Denison, TX, in 2004 to work as Chief Inspector for Best Jets LTD. He then accepted a position for Lake Texoma Jet Center's sister company Red River Turbines in 2007. He became an integral part of Lake Texoma Jet Center when the two companies merged in 2009 as the Director of Maintenance.

You can find Jeff competing in world-class fishing tournaments, camping and enjoying the outdoors with his wife and three sons when he is not overseeing inspections and maintenance of aircraft.

David Dick - *Maintenance and Aircraft Sales*

David's first job in aviation was an Aviation Maintenance Administrationman in the U.S. Navy. He subsequently held positions as a flight instructor, charter pilot, corporate pilot, FBO Operations Manager, aircraft salesman for Beechcraft, Piper and Cessna dealerships and owner of an aircraft sales and management company. He has over 6900 hours in a wide variety of aircraft including King Air 90 and 200, Lear 55 and Challenger 600 and 601. He holds the ATP with Challenger type rating and a Flight Instructor certificate.

A native of Dallas, TX, he enjoys golf, physical fitness, reading and completing "due items" around the house.

Paul Ferroni - *Manager FBO Services*

In September 2010 Paul joined the Lake Texoma Jet Center team. Paul has an accomplished background in FBO ownership, management, and contract fuel sales. Prior to becoming involved in the aviation industry he served 22 years as a law enforcement officer in New Mexico and Arizona. When he is not busy enforcing FBO line operations at LTJC you can find Paul flying his Cessna 310 or spending time with his wife, Leslie, son, daughter and granddaughter.
